TOWN DAY

This year's Town Day was yet another success, despite the annual inclement weather. One of the new additions to the Town Day festivities was a 30 ft. slide, and though it was the junior class basketball/hockey booth that was most profitable, the seniors, with only a week's notice, finally broke even after taking balloons to the streets.

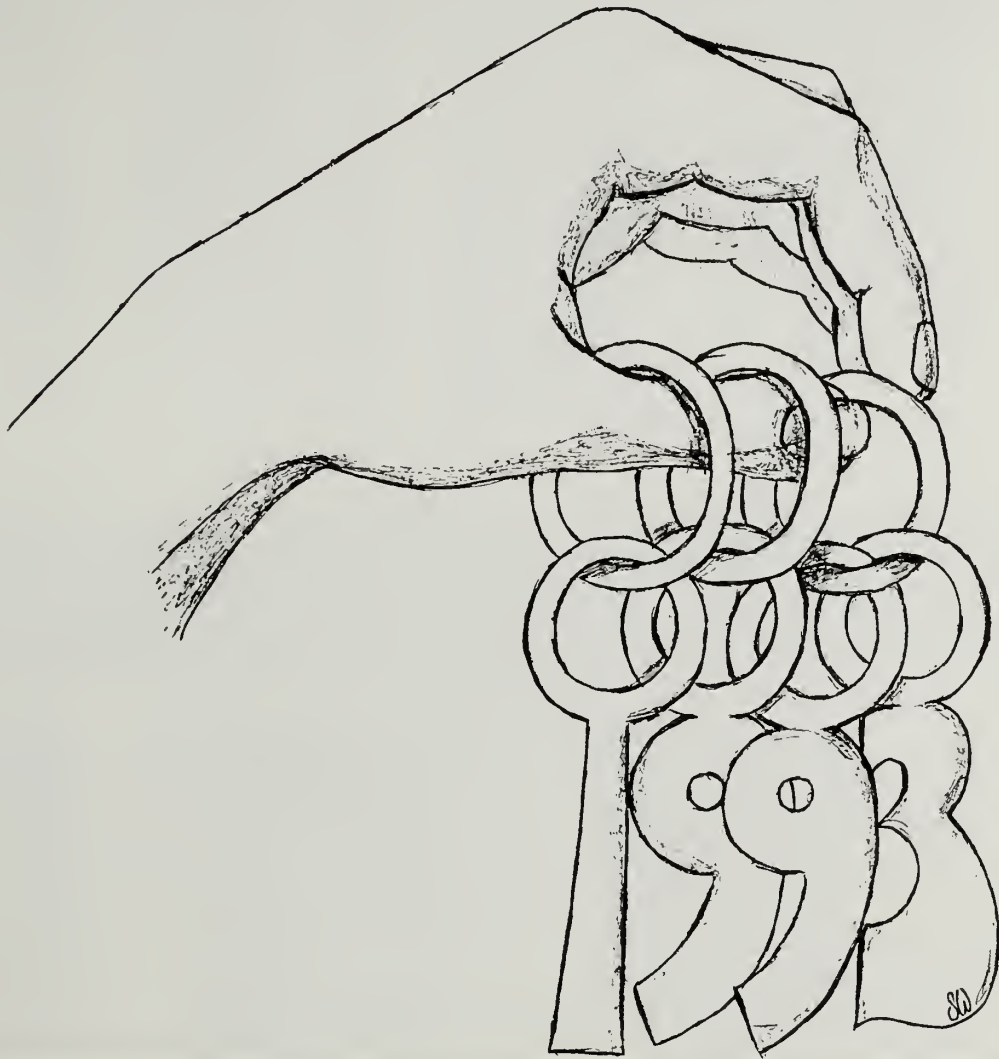

SUMMER OF 1992

THE KEY TO KNOWLEDGE

There can be no proper tribute to these fine men and women who have dedicated themselves to the rigorous task of guiding the edification of the juvenile population of our fine suburb. Despite being deprived of many of the perks of civil service, every faculty member gives his or her all every day. Some would say that teachers are the keys to knowledge, however it would seem more accurate to say that each teacher is a lock on a chest that contains great and unique knowledge and that each of us holds a master key. Every lock is worth opening-every teacher worth knowing. For example, there is Coach Powers who stores vast knowledge about health, fitness and pants made of space material; Mr. Mucica - well-versed in the classics and low budget B-movies (Classics in their own rights); and of course, Mr. Fillback- gem of history and blues guitar from Clapton to Johnson to Muddy Waters. Also, let us never forget the administration, secretarial staff, custodial staff, and nursing staff - without whom, this great education machine would grind to an abrupt halt.

THE KEY TO DANCES

Throughout the past four years we have attended formal, semi-formal, as well as informal dances. Our Junior Prom was at the Danvers Port Yacht Club and although some considered the music to be less than satisfactory, the food was excellent and in general, we enjoyed ourselves. The semi-formal was one of the highlights of our first two years of high school. The 1991 semi was especially memorable because our class hosted it. And of course, many of us attended the informal class dances during our years at SHS.

THE KEY TO IMAGINATION

Stoneham High, like any other institution of learning, was intended to serve as more than just a place where fact is dictated by teacher and then learned rote by students. Schools have always been intended to serve as a comfortable environment for students to express themselves creatively as well, for if necessity is the mother of all invention and preparedness is the key to success, then freedom of thought and expression is the key to inspired brilliance.

As a result, Stoneham High has opened many organizations for students to express themselves, such as Drama Club or Chorale. In addition, there are ample opportunities for students to perform for the public at large — the school musical, the senior class play, and Carnival Ball, to name a few.

Carnival Ball this year, just as any year, offered just about everything — an excuse for pomp and circumstance, an opportunity for students to demonstrate their talents in music, acting, and writing, and a great deal of humor.

"This shouldn't hurt a bit."

THE KEY TO COLLEGE ADMISSIONS

Perhaps these clubs and activities which follow, in which most of us have invested time during the past four years, will augment a college application. We must never forget, however, that most members of the clubs and societies which appear in the following section care. Those who do not care should have cared, and have missed great experiences which will prove to be assets beyond the college admissions process. Clubs and activities are indications of what is important to each of us. From Mr. Grondin's dedicated Math Team to the newly formed Bible Club — participation shows concern and genuine interest.

THE KEY TO DETERMINATION

The various sports offered at Stoneham High School have satisfied both athletes and spectators alike. Goals were accomplished, games were won and lost, many records were broken, and the high quality of play by SHS athletes continues. Many teams have young athletes that will develop into the leaders of their teams in future seasons. Congratulations to all sports teams for what you've achieved and we, the senior class, thank you for giving us all you have over the past four years!

This past fall, the team had its ups and downs. Five new girls were added in addition to a new coach. Throughout the fall season, the team worked hard supporting the football and soccer teams. This year's captains, Tricia Vergados and Rebeccah Loscocco, would like to congratulate all the girls for their dedication and hard work. Good luck to all the graduating seniors and next year's team.

GIRLS CROSS COUNTRY

I think I can, I think I can...

The girls cross country team enjoyed an extremely successful season. They cruised through the dual meets and won the Middlesex League title with a 9-0 record. They placed in the top four in all the invitationals, were Eastern Mass. runners-up and were ranked tenth in Massachusetts. None of this could have been accomplished without the help of an invaluable coach: Wayne Fillback. The team was led by senior captains Arlene Fiore and Samantha Williams, both of whom provided leadership and moral support for the rest of the team.

BOYS CROSS COUNTRY

I can't take this anymore!

Kneeling (L to R): Adam Marasca, Dave Trachtenburg. Standing: Matt DeMatteis, Chris Macdonald, Rob Greene, Gerard Leeman, Coach Fillback, Coach Riley, Capt. Adam Walker, Capt. Keith Rogers, David Thistle, Harry Delaney

There's no one within 6763 miles of me!

The Boys Cross Country team enjoyed another successful season this year competing in the ever-demanding Middlesex League. Under the leadership of junior captains Adam Walker and Keith Rogers, the team was able to maintain the impressive standards set by past cross country teams. The team thanks Coaches Fillback and Riley for their hard work and dedication.

GOLF

Mr. Steller and the Good Kid

What's so funny Abber?

(L to R): Sean Wood, Paul Leone, Capt. Mark Abruzzese, Coach Seabury, Bob Murgia, Capt. Rob Mirabile, Erich Butters

The Golf team had a very successful 1992 season. The team finished second in the competitive Middlesex League with an 8-2 record and qualified for the state tournament. Although the team failed to advance in the states, they performed beyond expectations behind the quiet demeanor and inspiring presence of Coach Seabury. The graduating seniors will always have fond memories of the Stoneham High Golf team.

FIELD HOCKEY

I've fallen and I can't get up!

They learned the value of hard work, team togetherness, discipline, and cooperation. Co-captains Jen "Commando" Laliwala and Leah "I'll fight her" Zinchuk would like to wish the underclassmen the best of luck and congratulate the graduating seniors, "I'm stretching" Taylor, "Megadrive" O'Brien, "On her knees" Christofi, "Run on your toes" Teneriello, "Hi" Conserva, "Stroke Queen" Lindonen, and "The scoop machine" McBride.

Where's the jump rope?

Who are *you* looking at?

It all went by so very fast. It seems like yesterday we were out there giving our all. We did our best and that in itself is the greatest reward. The outcome of this season was not shown by numbers but rather the team spirit and determined effort put into each game. Many will be missed in the years to come, especially the graduating seniors, captain Beth Sokol, captain Alison Holland, captain Tania Fusco, Kelli Reily, Danielle O'Brien, Stephanie O'Brien, and Susan Geary. WE WILL MISS YOU.

The squad either tied or beat every team except league champion Winchester. This year's team is graduating 8 seniors; captains Jason Meehan, Franco DeSantis, George Ioakim, and David Padovani; Shiva Krishnan, Eric Podradchik, Sean Farrell, and John Petrillo. I love to flatten people!

I'm the coach, I call the plays!

The football team had an outstanding 1992 season. Led by captains Mike Sweeney, Ryan Sullivan, and George Zaharopoulos, the Spartans finished the season with a 6-4 record. The team won their first five games and were ranked in the top six in Eastern Mass. After suffering an upset at the hands of Burlington, the Spartans were unable to get back on their feet against Melrose and Lexington. On Thanksgiving, the game versus Reading was a mud bowl. Though the Spartans played tough, they lost by a touchdown. The entire team deserves congratulations, but the success of the team was due greatly to the leadership of the 23 graduating seniors who played their hearts out in every game.

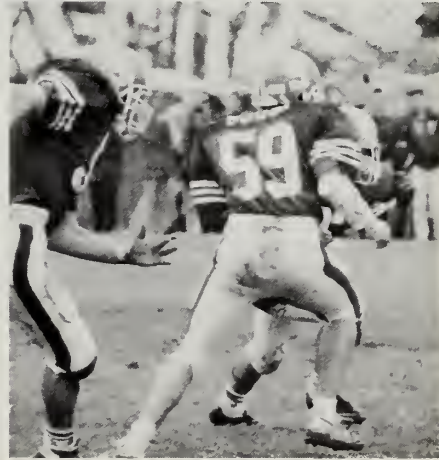

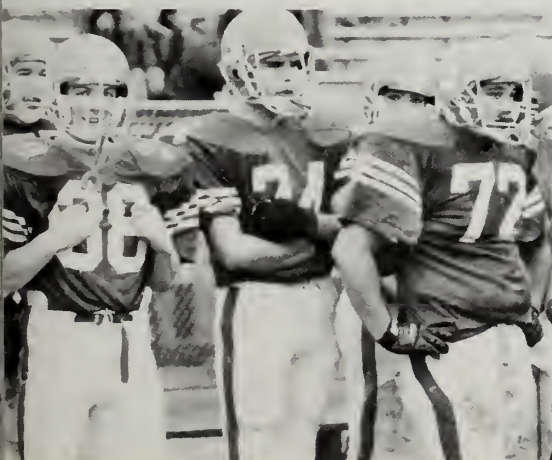

THANKSGIVING DAY GAME

As the seniors took the field for the last time they were filled with determination and excitement. They fought their hearts out and when they rose from the muddy battle-field they could only anguish over the 7-0 score. The team would like to thank the dedicated fans who were there to cheer the mighty Spartans on, even in the pouring rain.

WINTER CHEERLEADING

The Winter Cheerleading season was full of fun, hard work, and bonding. Being a young squad, with only five returning girls, we had to go back to the basics. We were then able to achieve all of our goals. Whether winning or losing, we enjoyed cheering for the Hockey and Basketball teams. We gave everything we had, practicing everyday for our winter cheering exhibition. Because of our squad's high energy level and enthusiasm, next year looks even better!

HOCKEY

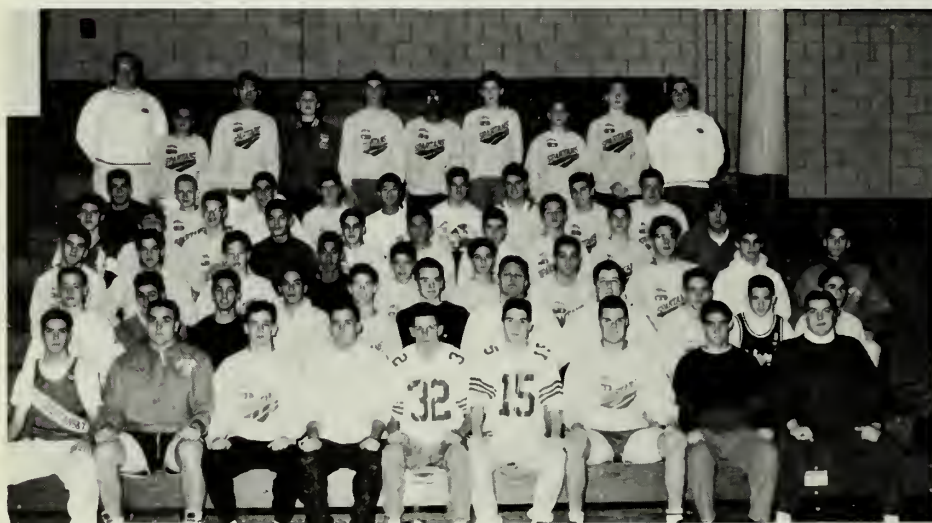

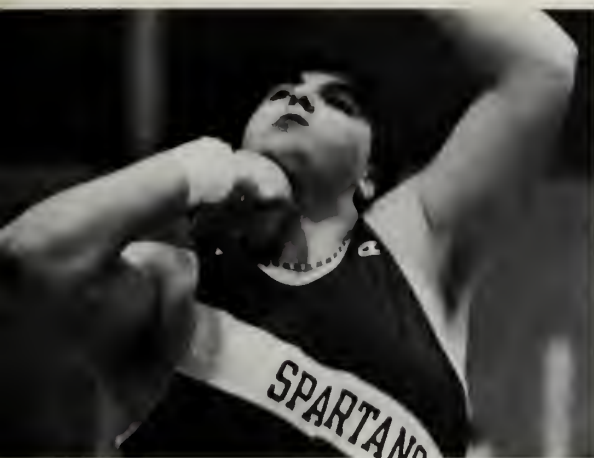

With only four seniors and two returning starters, this was a season to rebuild. This young team has had its ups and downs. Some early wins over Melrose, Winchester, North Middlesex, and a tie with the league favorite, Woburn, gave the team some confidence. Then some road games and a tough part of the schedule brought the team into a slump. With a lot of work in the off-season and the younger kids getting some experience out of this season, next year's squad will be improved. The 1993 - 1994 team and future teams should be at the top of the league.

BOYS TRACK

This year the boys track team had a season filled with disappointment and rejoicing. The fine athletes who made up the team all added their own style and flare to the season. The senior high jump team and shot put team dominated the Middlesex League. Charlie Ambroult went undefeated and broke the school high jump record. Rich Kirk went undefeated in shot put. Our whole team celebrated in victory as we once again won the Class C state relays on Feb. 6. Overall, it was a season filled with pain, pride, and glory, and one we will never forget.

GIRLS TRACK

The 1992-1993 Girls Indoor Track team can be proud of a successful season at the Lexington field house. The strong high jumping, shot put, and distance crews led the team to a 6-3 record by earning many needed points throughout the season. With much support from its newcomers and underclassmen, the team displayed much depth, placing second overall at the State Class C Relays, with the 4x800 team earning the state title. Dodging the cars in the driveway certainly paid off for the girls as the team was represented at the Harvard Invitational, State, All-State, Eastern, and New England meets. Although the seniors will be missed, the younger Spartans are strong enough to make next year another successful season.

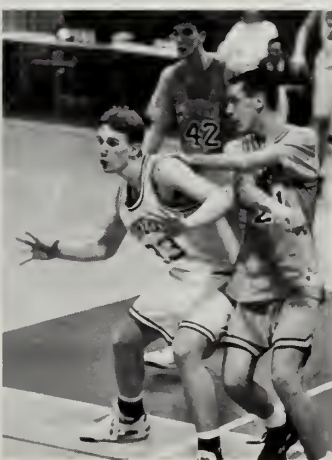

BOYS BASKETBALL

The 1992-1993 basketball season was successful. It entered the open tournament, a first in over twenty years. The team was led by seniors Ed Hurley and Derek Sarchione. Hurley led the team in scoring and rebounding and was named All-League for the second year in a row. Sash took some of the scoring off Hurley's shoulders with fine outside touch. Brian Joyce worked hard, finding every loose ball and capitalizing on his hustle. Alex Ambroult was the flashy player who made the big plays in the tough situations. Josh Mannke helped down low with aggressive play. Only a sophomore, Tom Joyce became the biggest surprise of the year, showing that he has the talent to play in a great league. This season was a step toward a promising future for the returning players and Stoneham High School basketball.

GIRLS BASKETBALL

The Lady Spartan basketball team worked very hard this season. With some big shoes to fill from the previous year, everyone put forth great effort and desire in each game. The team was very young, with only two seniors, tri-captains Susan Geary and Tania Fusco. The rest of the team included a high scoring junior, tri-captain Kelly Goss, who helped take control on offense. Along with Kelly, Freshman Eleana Palumbo added her consistent shooting to every game. Sophomores Katie Whelan, Krystal Hanley, and Julie Cullen were there to crash the boards and rebound aggressively. Point guards Tania Fusco and Lisa Ferragamo played hard to set up the offense and lead the team on the floor. Susan Geary and Beth Callahan played off-guard and gave their all on offense as well as defense. The team was known for coming on strong in the second half due to motivation and desire.

GYMNASTICS

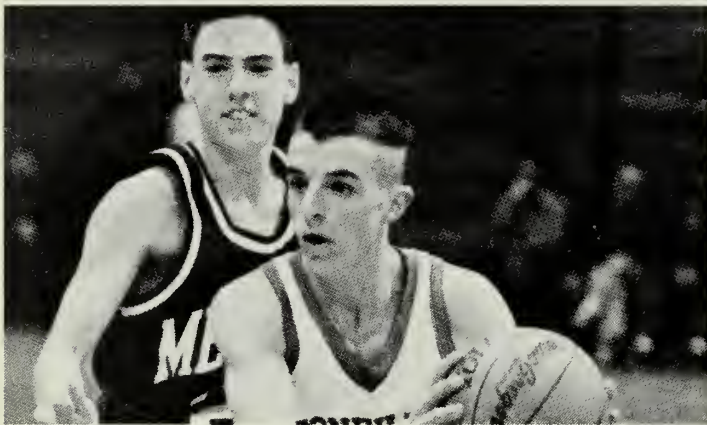

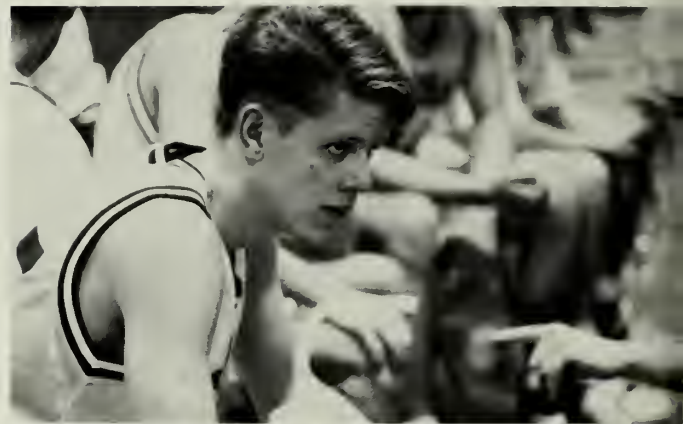

The Spartan gymnasts became one of the great success stories for the winter season this year. Because of its incredible depth of talent and extreme dedication, the team was able to capture the league record for team scoring at 135.35 as well as the Middlesex League Championship. With an opening victory over Woburn 123.20-122.45, It became obvious that the team was headed for greatness. The only two returning seniors were Captain Alison Holland and record-breaking Maria Zarrella. Also returning were juniors Michelle "Mitch" Magnifico, Elena "Alana" Semler, and Jessica Brand. The team performed well all season and beat Melrose, 132.05-131.20. That victory marked the last hurdle for the team, as they continued to finish undefeated. Coach Carbone and Coach Christofi were a key part to the team's success. Aside from their regimental, drill-like conditioning and weight-lifting, they were a major source of inspiration. They instilled desire and dedication in each member of the team.

THE KEY TO THE FUTURE

It is likely that many of the people in your senior class have been your classmates for the better part of your life. Among your peers you may find friends, enemies, significant others, sons of your parent's friends, enemies, rivals, etc., and people, well. . . whom you have no clue as to their identities. Regardless, it is inarguable that there is a great significance to your senior class, for they are the people whom you have been judged against, competed with, hung around with, egged on Halloween, or all of the aforementioned. As we advance to college and careers and middle age, let this section in particular be the greatest reminder of who you were and why you were in "the greatest years of your life."

ACTIVITIES

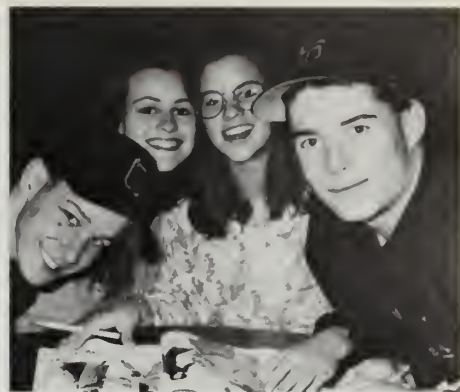

OPEN YOUR EYES!

THEN ...

...Now

Love...

Some say love it is a razor
That leaves your soul to bleed
Some say that love it is a hunger
An endless aching need
I say love it is a flower
And you its only seed...
...When the night has been too
 lonely
And the road had been too long
 and
You think that love is only for the
 lucky
And the strong. Just remember in
 the winter
Far beneath the bitter snow lies the
Seed that with the sun's love in the
Spring becomes the rose.

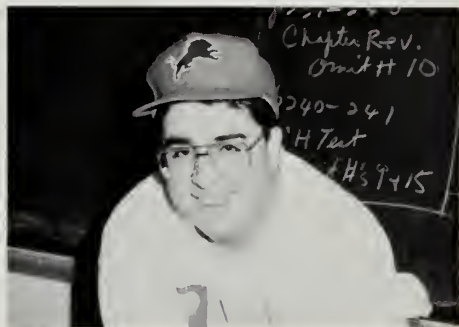

FRIENDS

"The only way
to have
a friend is
to be one."

THE KEY TO THE PAST

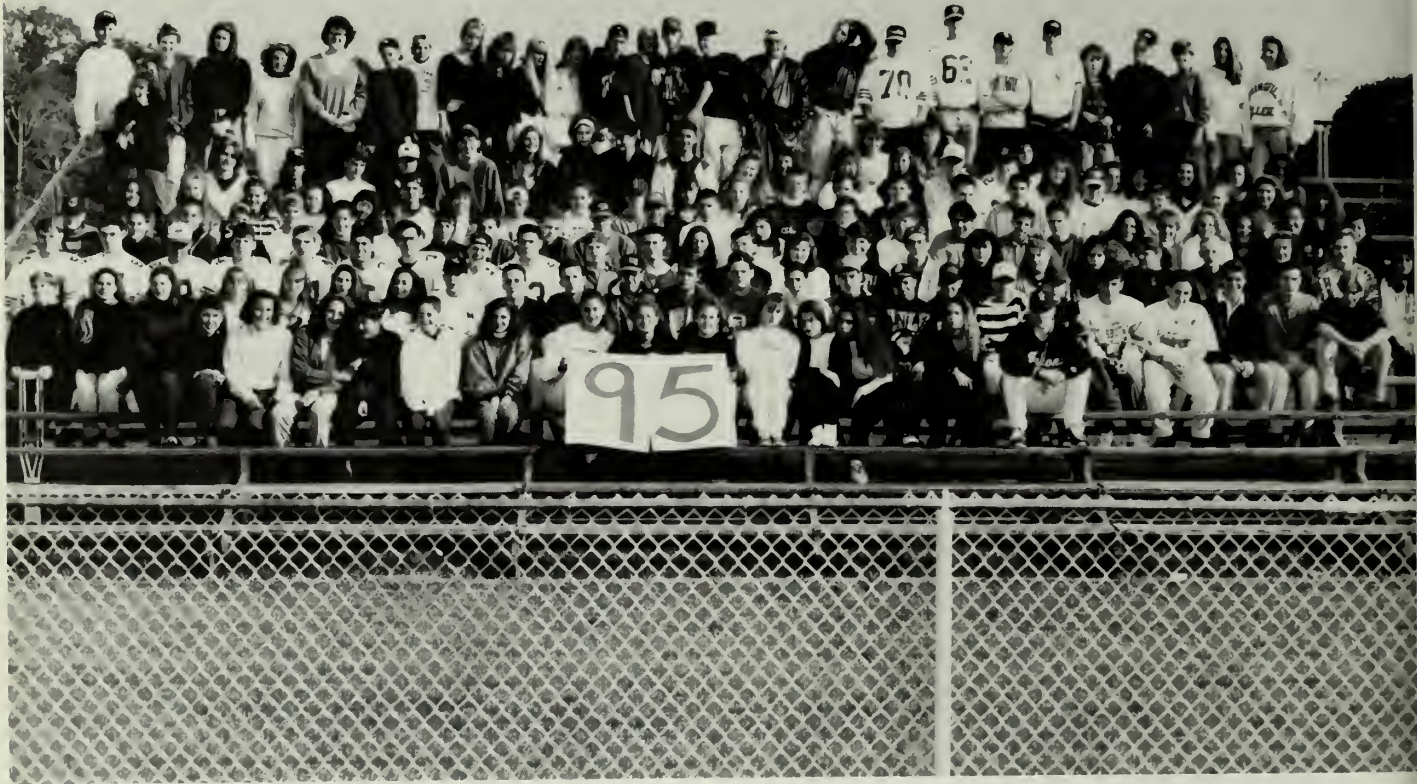

Underclassmen — seniors in the larval state. It is somewhat disconcerting being a senior with all the possibilities of the future lying ahead to look back nostalgically on Sophomore year — before Achievement tests, SAT's or even PSAT's. Though now it is fun to misdirect some impressionable freshmen to the third floor or lock a slow-to-develop Sophomore in his locker, we must keep in mind that we were once underclassmen ourselves. In time the underclassmen of today will become the seniors of tomorrow — looking down on the underclassmen of their time with contempt and arrogance. Certainly the underclasses boast their share of memorable characters — some of whom will be immortalized in this section.

THE NATIONAL HONOR SOCIETY INDUCTION

The National Honor Society Induction on the evening of Monday, February 8th, diverged from the traditional ceremony. It opened with the singing of the National Anthem by the forty inductees featuring a solo by junior Alicia DiDonato. Mr. Ryan gave a speech, followed by Mrs. Puffer. Senior officers Arlene Fiore, Alison Holland, Tania Fusco, and David Guida spoke on the qualities exhibited by each honor society member: scholarship, leadership, character and service. Kim Conley, also a senior officer, introduced Ms. Chapman, who was the honorary speaker. She inspired us not to lose our idealism. Juniors Alicia Bain, Lin-Chi Yen, Erin Francis, Joan Daya, Alana Bustin, and Milissa Barry provided entertainment, singing "Like an Eagle". Before the candlelight ceremony Mr. Campagna was awarded honorary membership. After the recessional, everyone enjoyed baked goods

made by the new members.

In Memory Of Officer Albert Duff

Any student that has been in the Stoneham school system knew Officer Albert Duff. From kindergarten to high school, Officer Duff was always here trying his best to keep us safe.

In our younger years during his visits to the elementary schools, he taught us safety tips such as where to cross the street, to wear our seatbelts, and not to talk to strangers. Every year we went through the steps of bus evacuation, which when we were younger seemed like a lot of fun and as we got older became a good reason to get out of class. Officer Duff didn't come to the schools to speak to us about safety just because it was his job, it because he cared about people.

He took his job seriously, so seriously that sometimes when we were driving we would not want to see his cruiser around town. But despite warnings and the tickets he issued us, we knew he only wanted to ensure our safety. Yes, he was tough, but he was fair and he never hesitated to flash a smile or give us a wink or a wave when he saw us around town.

Officer Duff served his town for many years. He will be remembered forever with fond memories as Stoneham's greatest Safety Officer. He loved his job, but most importantly he loved his "kids" both young and old.
